### Comments for January 2010

The San Angelo MSA lost -700 jobs over the month. This seasonal decrease was larger than the five-year average decrease of -600 jobs, and was the first over-the-month decrease for Total Nonagricultural Employment in six months. Overall, employment decreased by -2.3 percent over the previous twelve months. Mining, Logging, and Construction lost -100 jobs in January, marking its first over-the-month decrease since September of last year. This industry lost -600 jobs over the year. Retail Trade had a seasonal decrease of -3.4 percent in employment for January. This decrease came about as area stores decreased staff due to the end of the holiday shopping season. This over-the-month decrease was less than the January 2009 decrease, but matched the five-year average decrease.
